

LRP ENVIRONMENTAL COVENANT

This environmental covenant is established pursuant to Iowa Code 455I entitled Uniform Environmental Covenants Act (*see also* 2005 Iowa Acts, Senate File 375).

[*INSERT name(s) of fee title owners of affected property*], hereafter "grantor(s)" and [*names of all holder(s)/grantee(s)*] enter into this environmental covenant for the purpose of subjecting the property described below to certain activity and use limitations in accordance with the terms and conditions as specified below, authority granted the Iowa Department of Natural Resources (Department) in Iowa Code sections 455B.103(7) and 455H.206 and Department rules in chapter 567 Iowa Administrative Code (I.A.C.) 137.

1. **Affected Property.** The grantor(s) identified below is the fee title owner(s) of the property located at [*INSERT ADDRESS*]. The property is legally described as:

Hereinafter, the affected property will be referred to as "the property."

2. **Land Recycling Program Risk Management.** The property subject to this covenant is enrolled in the Department's Land Recycling Program (LRP) established in Iowa Code chapter 455H and administered under Department rules in chapter 567 Iowa Administrative Code (I.A.C.) 137.

Under the LRP, the environmental response project as defined in Iowa Code section 455I.2(5) has consisted of a soil and groundwater investigation and risk assessment of an affected area which includes this property. This response action has been undertaken by [*identify the person who conducted the assessment and obtained approval for use of this institutional control*]. Soil and/or groundwater contamination has been identified on the property. The Department has approved a response action plan which includes the use of this environmental covenant as one method for managing the risk of future exposure to this contamination.

[*Identify by name and location any relevant assessment and corrective action documentation and agency final approvals including approval of this covenant as an institutional control*].

3. **Institutional Controls.** Iowa Code section 455H.206 and Department rules in chapter 567 I.A.C. 137 authorize the use of an environmental covenant as an institutional control. The purpose of this environmental covenant is to manage the risk of future exposure to existing contaminant conditions by limiting specified land use activities at this property, establishing affirmative obligations and enforcing the terms of this covenant.

4. **Reopening.** The signatories acknowledge that failure of these activity and use limitations to serve their intended purpose of preventing the risk of exposure to contaminant conditions could result in the Department reopening review and regulation of the property as provided under the terms of this environmental covenant, Iowa Code chapter 455H, Iowa Code chapter 455I and applicable Department administrative rules.

5. **Identity of Grantor(s) and Holder(s):**

GRANTOR(S): *[INSERT name of each fee title holder]*

HOLDERS: *[INSERT each person signing the covenant as a holder and describe their relationship to the property. A grantor can be a holder as well. Other persons may include contract buyers, lessees, mortgage holders, municipalities, owners and operators of the UST site, other interested parties. [Note, the Department will typically sign as an “agency” and not a holder with an interest in the property, as provided in Iowa Code sections 455I.2(2) and 455I.3d(2)).]*

AGENCY: Iowa Department of Natural Resources

6. **Representations and Warranties.** The grantor(s) warrant to the other signatories to this covenant the following:

- a. that the grantor[s] is [are] the sole fee title owner[s] of the property;
- b. that the grantor[s] hold[s] hold sufficient fee title to the property to grant the rights and interests described in this covenant free of any conflicting legal and equitable claims;
- c. that the grantor[s] has [have] identified all other persons holding legal or equitable interests, including but not limited to contract buyers, mortgage holders, other consensual lienholders, and lessees and secured their consent either by signatures on this covenant or by a separate subordination and consent agreement attached as Exhibit [] or recorded at [_____]. *[consult Department guidance to assure that all contract buyers, mortgagees, lessees and other consensual lienholders either sign on to this instrument or sign a separate Department approved subordination and consent agreement]* [NOTE: if there are no other legal or equitable interests in the property, delete (c)].

7. **Running with the Land.** This environmental covenant is perpetual and runs with the land as provided in Iowa Code section 455I.9 until modified or terminated. The terms of this environmental covenant are binding on the grantors and all successors in interest, assigns and all transferees acquiring or owning any right, title, lien or interest in the property and their heirs, successors, assigns, grantees, executors, administrators and devisees. The term "transferee," as used in this environmental covenant, shall mean any future owner of any interest in the property or any portion thereof, including, but not limited to, owners of an interest in fee simple, contract buyers, mortgagees, easement holders and/or lessees.

8. **Activity and Use Limitations and Terms.** The property is subject to the following use limitations and terms: *[describe specific restrictions, affirmative obligations,*

provisions regarding notice to the Department of breaches of the terms, periodic reporting requirements and persons with specific duties with reference to any guidance and model language developed by the Department]

[discretionary provisions applicable to designated signatories, future fee title owners, contract buyers, lessees and other designated transferees of interests in the property. These may include provisions to establish affirmative obligations to notify the Department regarding changes in use, building permits, etc.]

9. **Notice of Non-Compliance.** Any property owner or subsequent transferee of an interest in the property shall notify the Department as soon as possible of conditions which would constitute a breach of the activity and use limitations in paragraph eight (8) if they have actual knowledge of these conditions or would reasonably be deemed to have knowledge within the normal course of administration of their property interest.

10. **Notice to Lessees.** Grantor, any holder with a property interest sufficient to grant a lease of the property, and any subsequent transferee shall incorporate the activity and use limitations of this covenant either in full or by reference to this instrument in any lease, license, or other instrument granting a right to possession of the property.

11. **Access to Property.** Reasonable access to the property is granted the Department or any authorized representative of the Department, public or private, for the purpose of implementation, monitoring and enforcement of the terms of this environmental covenant. The Department, its authorized representatives or other persons entitled to access shall provide the current owner of the property with reasonable notice, an explanation of the reasons for entry and the scope of onsite activities prior to access. Right of access includes, but is not limited to, the following activities:

- a. repair and maintenance of remedial action equipment, soil caps, groundwater monitoring wells and associated aboveground or subsurface structures
- b. fencing and other technological controls.
- c. groundwater sampling and monitoring
- d. additional drilling
- e. construction of soil boring and/or groundwater monitoring wells
- f. other activities authorized or otherwise directed by the Department.

Access is also granted to *[INSERT name specific persons who are granted access rights]*.

12. **Groundwater Hazard Statement Notice.** Iowa Code section 558.69 requires submission of a groundwater hazard statement and disclosure if “hazardous waste” exists on the property as defined in Iowa Code subsections 455B.411(3), 455B.412(2) or section 455B.464 or if the Department determines that solid waste exists on the property that is potentially hazardous. If hazardous waste is present, the groundwater hazard statement must state that the condition is being managed in accordance with Department rules. The signatories and all subsequent transferees required to submit a groundwater hazard statement under Iowa Code section 558.69 shall make reference to this environmental covenant in substantially the following form:

THE INTEREST CONVEYED IS SUBJECT TO AN ENVIRONMENTAL COVENANT, DATED [date month, day, year] RECORDED IN THE DEED OR OFFICIAL RECORDS OF THE [NAME] COUNTY RECORDER ON [date month, day, year] IN [document, book and page, or parcel number].

THE ENVIRONMENTAL COVENANT CONTAINS THE FOLLOWING ACTIVITY AND USE LIMITATIONS: [language that describes the activity and use limitations exactly as it appears in the environmental covenant.]

NOTE: do not insert the Activities & Use limitations here; it is only necessary to do so when you submit the groundwater hazard statement notice, which this section is simply a model of. DELETE THIS PARAGRAH BEFORE SUBMITTING THE ENVIRONMENT COVENANT FOR REVIEW.

13. Modification and Termination. Modification or termination of the terms of this covenant shall comply with the standards in Iowa Code chapter 455H.206 and applicable Department administrative rules. The terms of this environmental covenant may be modified or terminated by written consent of the Director of the Department, the then current fee simple title owner and all original signatories (unless exempted under the provisions of Iowa Code section 455I.10(1)“c” in accordance with and subject to the provisions of Iowa Code section 455I.10). The termination or modification is not effective until the document evidencing consent of all necessary persons is properly recorded. If not by consent, any modification or termination of this environmental covenant shall be in accordance with Iowa Code section 455I.9 and such additional terms as specified in this covenant.

14. Enforcement. The terms of this environmental covenant may be enforced in a civil action for injunctive or other equitable relief by the signatories and those persons authorized by and in accordance with Iowa Code section 455I.11. [DISCRETIONARY PARAGRAPH – Additionally, the signatories to this covenant authorize the following person(s) the right to enforce the terms of this covenant as provided in Iowa Code section 455B.111(1)“c”: INSERT name additional parties with enforcement power.]

15. Severability. If any provision of this environmental covenant is found to be unenforceable in any respect, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired.

16. Governing Law. This environmental covenant shall be governed by and interpreted in accordance with the laws of the State of Iowa.

17. Recordation. Within thirty (30) days after Department approval of this environmental covenant, the grantor[s] shall record the environmental covenant in the same manner as a deed to the property with the [NAME] County Recorder’s Office.

18. **Effective Date.** The effective date of this environmental covenant shall be the date upon which the fully executed environmental covenant has been properly recorded with the [NAME] County Recorder's Office.

19. **Notice.** Unless otherwise notified in writing by the Department, any document or communication required by this environmental covenant shall be submitted to:

Iowa Department of Natural Resources
Land Recycling Program
Wallace State Office Building
502 E 9th Street
Des Moines, IA 50319

20. **Subordination and Consent.** By signing this environmental covenant, the signatories knowingly and intelligently acknowledge their consent to the terms of this agreement and agree to subordinate their interest in the property. The following persons have expressly consented and subordinated interests:

[INSERT: Identify persons and entities that are consenting and subordinating their interests such as mortgagees and other consensual lienholders, lessees, etc. Identify the nature of the subordinated interest.]

21. *[DISCRETIONARY PARAGRAPH]:* **Notice of Change in Ownership.** Grantor and holder with sufficient property interest to convey a possessory interest in the property and any subsequent transferee with sufficient interest shall reference and incorporate the terms of this agreement into any subsequent instrument which conveys a possessory interest in the property.
